CENTRALIZED STAFFING COORDINATOR

BAPTIST HEALTH

2023-Present

- Created and implemented internal documents and process improvements for team efficiency
- Developed clear communication materials for internal usage and staff training
- Coordinated with on-site staff for daily scheduling and time tracking

PROJECT HIGHLIGHT

International Student Hub: Navigation Wireframe | Figma, Google Slides, Canva

- Developed a wireframe that laid the foundation for overall site navigation. Project prioritized development that would increase engagement of international audiences. This project created navigation options for visual, audio, and textual learners.
