Experience

Digital Media Strategist 01/2026-present
CJRW, Little Rock, AR

- **Plan, build, and launch ~100 paid social** and **SEM campaigns** across client accounts and advertising programs, aligning campaign setup and targeting with client objectives.
- **Manage advertising budgets** and **spend pacing** across client accounts, optimizing spending for efficient campaign performance.
- **Develop campaign strategy briefs** and provide teams with audience targeting, ad format, and messaging recommendations.
- **Monitor campaign performance**, analyzing key performance indicators (KPIs) including reach, impressions, engagement, click-through rate (CTR), cost per click (CPC), and cost per lead (CPL) to identify optimization opportunities.
- **Produce weekly, monthly,** and **campaign-end performance reports**, translating data into client insights and recommendations.

Adjunct Professor 08/2026-present

University of Arkansas - Little Rock, Little Rock, AR

- Designed and coordinated assignments and assessments aligned with course goals

Digital Communications & Content Strategy Assistant 08/2024-08/2026

University of Arkansas - Little Rock, Little Rock, AR

- Developed semester-long organic social media calendar, wrote captions, designed branded graphics, and maintained recurring weekly themes.
- Led the design of Figma wireframes for upcoming university web projects (contributing to **redesigns projected to serve 1,000+ students annually**)
- Managed the development of student-focused resources, including graduation checklists and syllabi (**projected to support ~100 graduate students annually**)
- Led the creation, distribution, and analysis of surveys to improve student success initiatives

eCommerce Digital Production Associate 10/2025-01/2026

Dillard's, Little Rock, AR

- Managed end-to-end QA workflows for **200–300 product listings** per shift, ensuring accuracy and consistency across digital catalogs
- Led SEO-focused improvements by restructuring product titles and attributes to enhance search visibility and product discoverability
- Oversaw image editing and refinement to improve visual cohesion and merchandising quality (supporting **consistency across 5,000+ items** in rotation)
- Identified and documented content gaps, missing fields, and UX issues within listings, collaborating with cross-functional teams to resolve issues efficiently

Web Development Intern 06/2025-07/2025

CJRW, Little Rock, AR

- Updated and organized web content in Figma, gaining exposure to UX workflows (supported **4+ client projects** simultaneously)
- Migrated content in ProcessWire (migrated **~100 pages of content** with **98% accuracy**)
- Wrote clear, engaging and audience-focused copy for web pages and social media
- Tested and provided feedback on AI chatbot

Centralized Staffing Coordinator 07/2023-10/2025

Baptist Health, Little Rock, AR

- Led the creation and implementation of internal documentation and process improvements to increase team efficiency (reduced scheduling errors by **30%**)
- Managed the development of clear internal communication and training materials (adopted by **100%** of **department staff**)
- Coordinated daily scheduling and time tracking in collaboration with on-site staff to ensure accuracy and operational continuity

Emergency Communicator 08/2018-07/2023

Bryant Communications, Bryant, AR

- Led the handling of emergency communications, maintaining clarity and composure while gathering accurate information and relaying actionable details to field units (**~200+ calls** per week)
- Managed the entry and maintenance of critical records, ensuring compliance, audit readiness, and near-perfect accuracy (**~600+ updates** monthly)
- Produced and oversaw real-time documentation for every call, creating legally binding records requiring precision and defensible clarity for potential court use
- Authored, maintained, and improved SOPs and internal communication guidelines to streamline workflows and strengthen team alignment
- Coordinated multi-agency communication to support rapid, informed response in high-stress, time-sensitive situations
